

PORTABLE SSP-50X & SSP-30X Smart Surge Protection

Progressive Industries' Smart Surge Protectors (SSP) are portable RV surge protectors with the added benefit of a built-in polarity tester. The built-in surge indicator notes the condition of the surge protector. Additionally, the polarity tester (dual line for 50 amp) checks the status of the power source prior to use. Units are sleek, compact and the portable design makes them easy to use and store. Designed for outdoor use.

Product Features:

- Open Ground, Open Neutral & Reverse Polarity Detection
- Mis-wired Pedestal Indication
- Surge Failure Indicator
- Thermally Protected
- Brighter 3-color LED Indicators
- Rugged Pull Handle
- Weather Resistant/Outdoor Use
- No installation required
- 7-days a week Customer Service
- Lifetime Warranty
- Made in the USA
